

Welcome back!

A big welcome to all our new parents and children and welcome back to all those returning after the summer break. The children have settled into their new classes seamlessly and are looking smart and working hard.

If you have any issues or questions about your child's experience with us, or need advice on how to help your child, please make an appointment to see his or her class teacher. If it is a quick question or message, you can usually catch teachers in the playground in the morning, but if you need longer, staff are usually available after school. Contact the office to make an appointment.

If you have any concerns that you feel you cannot speak to the teacher about, please make an appointment to speak to Mrs Holt (Vice Principal), Miss Jefferies (Assistant Principal) or Mrs Crossley (Learning Manager). We will always do our best to work with you, please do not hesitate to see us if you are concerned.
