### Nut Free School

A reminder that children should not be bringing food to school containing nuts. We are a nut free school due to allergies and the dangers they pose.

### Healthy School

At school, we are always promoting a healthy balanced diet. As part of this, children are encouraged to bring a healthy snack for break time if they wish to.

A polite reminder that children should not be bringing chocolate bars into school as part of their packed lunch.

### Internet Safety Day

In school, we will be celebrating Internet Safety Day which is on Tuesday 11<sup>th</sup> February.

Please support your child in understanding how to stay safe when using the internet.

The following websites have extremely useful information for parents around internet safety, social media, apps and digital footprints. Please take a look.

### Assembly music

During our assemblies, we have been listening to music from the BBC Ten Pieces programme. It is aimed at opening up the world of classical music to the next generation. The key piece we have been listening to and appreciating is 'No Place Like' by Kerry Andrew. You may want to have a look at the website with your child and get them to tell you about this piece of music.

### Attendance

So far this year, our whole school attendance is **96.52%**, which is just below our target of 97%

There have been **61** instances of lateness since the beginning of this term.

Lateness = Lost learning  
10 minutes late each day = 6.5 days lost
