## Newsletter from our Reading Ambassadors

This week, we - the Reading Ambassadors - have met to discuss future projects and create a fun reading challenge for the summer term.

### Book Donation Point

We are proud to announce that the book donation point will resume next week. Please could we kindly ask for donations of unwanted books which will be appealing and engaging to a variety of age groups.

To do this safely under Covid restrictions, the books will be quarantined and each week a different year group bubble will be able to choose a book.

We have worked hard to create a fair rota for children to come and browse at our selection of engaging and exciting books.

*'The book donation point is a great idea because children can share their unwanted books for other children to enjoy.'* – Brooke

*'The reading ambassadors are very excited to sort through the books, so other children in the school can enjoy them. It is a brilliant idea!'* – Jack

### Book Reviews

Throughout this half term, we will be showing children in our classes how to write a high quality book review. It is important to reflect after reading a book and other readers will always be interested in your opinion of the books you've read. Whether you've loved the book or not, if you give your honest and detailed thoughts then other children will find new books that are right for them. These reviews will then be proudly displayed in school. We will be asking teachers to review their favourite books too.

### Reading Challenge

Our next exciting news is that we will be holding a reading challenge this half term – Book Bingo!

Each child will be asked to complete a number of reading challenges: read to a family member; read a book by a female author etc. As Reading Ambassadors, we will encourage everyone to take part and have fun.

The competition will begin on Monday May 10<sup>th</sup> 2021 and will run over half term finishing on Tuesday June 8<sup>th</sup> 2021. This exciting and fun competition aims to create a passion and joy for reading, whilst also improving our reading skills. How many challenges will you complete? The class with the most Book Bingo challenges completed by the competition end date will win a prize.
