

Outwood Primary Diploma

The Outwood Primary Diploma is an enhanced part of the academic curriculum. Our aim is for each pupil to experience life skills that go above and beyond the curriculum to deliver the knowledge and experiences crucial for success in later life.

The Diploma runs from Early Years through to Year 6 and incorporates 1 whole school focus goal per half term (6 over the year). These are delivered under the following headings:

- Be a Good British and International Citizen
- Keep Myself and Others Safe
- Protect and Respect the Environment
- Have High Aspirations and Skills for adult life
- Actively contribute to my local community
- Lead a Healthy Lifestyle

The children graduate at the end of Early Years, Key Stage 1, Lower Key Stage 2 and Upper Key Stage 2 based on their participation of the Diploma goals and success level; their effort grades and attendance across the academic year.
