

## Outwood Primary Academy

Hello parents and carers, this half term your child will be learning about...

Y5

Latin & South America

Day of the Dead

Mexican Food

Christianity

Pets & Animals

Neighbourhood

Confidence

Communicate

### Project Idea

Our main topic focus this half-term is Latin and South America. Through this we will also be studying Day of the Dead as our art work and designing a three course Mexican meal in Design and Technology.

You can choose what you want to do for your topic homework and how you want to present it, but here are some suggestions to get you started. Can you link your homework to another area of the curriculum?

- **Maths**- Research the different currency used in South American countries
- **English**- Write a persuasive advert encouraging people to visit the Amazon rainforest
- **Science**- Conduct an experiment to find out if different materials can dissolve
- **Art**- Design your own sugar skull
- **DT**- Research the different foods eaten in different Latin American countries
- **Geography**- Create a travel brochure for South or Latin American countries
- **History**- Produce a poster about the historical significance of Day of the Dead
- **MFL**- Write a description of where you live in French
- **RE**- Create some slides about the religions context of Day of the Dead
- **Music**- Research the traditional music of Latin America
- **Computing**- Record a video report about the human impact on the rainforest

Remember, you can choose what you want to do for your project and you aren't limited to just one idea. I'm looking forward to seeing your ideas and what you come up with!

Your homework needs to be in school on Monday 18<sup>th</sup> of March.
