

Dear Parents/Carers

We are aiming to enhance our children's educational experiences at school through extra-curricular activities. In order to develop some of these initiatives the Kirkhamgate Academy Council Governors are asking for the kind support from parents and carers and are seeking volunteers who would like to set up an informal fundraising group.

The fundraising group will have the opportunity to organise fundraising events within school whilst also involving the local Kirkhamgate community. Examples of such events could be school fairs and school discos.

If you would like to volunteer or require further details please contact either Sonia Wilson (Chair of Governors) s.wilson@kirkhamgate.outwood.com or Nic Mullooly via Reception.

Kind Regards
Sonia Wilson
Chair of Governors
