

Friday, 19th April, 2024

Dear Parents,

I hope this letter finds you well. I am writing to inform you about an exciting charity event that your children will be participating in called the "Heli Hop" to support the Yorkshire Air Ambulance.

On Monday, 29th April, our school will be buzzing with excitement as our children embark on a mission to raise funds for this vital organisation. The Heli Hop will take place during school hours, allowing our students to run, hop, skip, jump, or dance around the playground, all in the name of charity.

We were fortunate to have a special visitor from the Yorkshire Air Ambulance who came to speak to our students about the incredible work they do. His presence inspired us to take action and support their life-saving efforts. As a school community, we want to do our part in ensuring that this essential service continues to thrive.

To make this event a success, we are asking for your support. Your child will be provided with a sponsorship form, and we kindly request that you encourage friends and family to sponsor them for their participation in the Heli Hop. Additionally, for your convenience, please see the below link where you can make donations online. Please note that we will not be accepting cash donations.

We are incredibly proud of our students for their enthusiasm and eagerness to make a positive impact in the community. By taking part in the Heli Hop, they are not only raising funds but also raising awareness about the importance of supporting local charities.

Thank you in advance for your generosity and support. Together, we can help keep the Yorkshire Air Ambulance flying high and saving lives.

If you have any questions or require further information, please do not hesitate to contact us.

Kind regards,

Mrs Hale
