Summer 1

It may have felt like a short one but this half term has been action packed with learning!

We have loved diving into some of our favourite traditional tales and beginning to create our own.

We have focused on creating story maps which we have then innovated with new characters and new parts. The children enjoyed sharing their ideas both in class and in assembly to the rest of school.

The children also immersed themselves in nursery rhymes and rhyming words this half term and they even learnt a French nursery rhyme!

Summer 2

Next half term's topic is Superheroes!

Independent writing

The children are showing great enthusiasm with their writing; regular reminders and prompts are being given for children to use their Early Learning Goals of writing independently with capital letters and full stops.

Handwriting

As we move towards the end of  beginning to praise children for showing cursive handwriting. Starting on the line and leading in with a whoosh. We appreciate your continued support with this.

Sports Day

Weather permitting, we would love to invite you to our sports day on Monday 4th July 11am-12pm. Please can children come with hats and sun cream if it is a warm day.

Well done!

A fantastic half term had by all. We hope you have a lovely break and we look forward to seeing you back on Monday 6th June.
