

Outwood Primary Academy

Hello parents and carers, this half term your child will be learning about...

Y4

Animals including humans

Tinga Tinga

Greek food

Greek Website

Pets and animals

Forgiveness

Neighbourhood

Confidence

Communicate

Diploma: High Aspirations

Project Idea

This term our main areas of study are: DT, art, computing and science. I would like you to complete a project based on the topics we have exploring in school. We will share your homework projects with the rest of the class, and have an opportunity to discuss what others have learnt about the topic.

Below are a few suggestions – but please feel free to try something of your own!

- Design and make your own Greek dish
- Write a recipe of how to make a popular Greek dish
- Create your own piece of Tinga tinga artwork
- Write a fact file about famous Tinga tinga artists
- Draw the human body and label the digestive system
- Draw/write about different animals and how their teeth are different to humans
- Create your own animal and explain how it's teeth show what it eats

You can submit your homework in the following ways:

- Written work (work/photos/pictures)
- Presentation/website (digital submission on google classroom)
- Sculpture/model (or a picture of these things)
- Tweet (via the class Twitter page @OPAK_4LY)

I can't wait to see your projects! 😊

Due: 18th March 2024

Follow our class page to find out about the exciting work we're doing this year @OPAK_4LY
