## Goodbye and Thank you!

We have several members of staff who are leaving us soon. I am sure you will all wish them well in their new ventures and thank them for all their hard work this year.

Mrs Asghar came to us last year from Bell Lane. She has been a brilliant member of the year 4 team and in her role of Teacher Coach worked alongside many members of the staff to raise standards across the academy. Mrs Asghar will remain in the Trust and we wish her well in her new school. I am sure we will see her again in the future.

Miss Chambers has been a fabulous, energetic member of the team. Her musical theatre club inspired so many staff and children and was thoroughly enjoyed by all. Miss Chambers will remain in the Trust and we wish her well in her new school.

Mr Horan has been successful with a promotion and will be taking on a new role across the Trust as Teacher Coach. Part of his responsibilities will be working and improving standards in year 6 across thirteen academies. We wish him all the best in his new role.

Miss Stones has worked in our academy for eight years. She has been a fantastic higher-level teaching assistant supporting pupils and staff across the academy. Miss Stones leaves us to begin her Initial Teacher Training in September. We wish her all the best for the future.

It is also that time of year when we say goodbye to our Year 6 children. It is a real landmark in the life of a school when this time comes. However, even though it is sad to see them go, it is a great comfort to know that they are ready for the next stage in their education and lives. I take great pride reflecting on the year they have had and all their accomplishments. I have no doubt they will all go on to achieve many great things.

Thank you to all the year 6 children and their families for the part you have played over the years in our academy.

## Hello and Welcome!

We would like to introduce new staff who will be joining our school in September.
