Online Safety Messages

Mrs Fozzard and the Digital Leaders wanted to share some important information about online safety before we finish for the summer break.

The National Online Safety website has a wide range of information for parents including the safe use of apps children have access to and how to check parental controls.

They have a FREE Online Safety app which has a plethora of resources to help keep children safe online. You can find further information about the app and how to download it by clicking this link. https://info.nationalonlinesafety.com/parentkind

Their online safety guides can all be found on the app. They are also available to view on their website by clicking on the following link. Each one delves into certain apps and websites and tells you everything you need to know in order to stay safe when using them. https://nationalonlinesafety.com/guides

Have a great summer and stay safe online.
