October 2021

@OPAK_RVS

Autumn 1

With our first half term drawing to an end, we would like to thank you for all your support and participation with our Marvellous Me topic which has been a huge success.

We have looked in depth at how we are all special and unique and produced some wonderful work across this half term.

Harvest Festival

Thank you for attending our Harvest Festival. We really appreciate all your kind words and positive feedback. The children thoroughly enjoyed it and we are so proud of them!

Twitter

Just a reminder that we regularly use Twitter to showcase our learning and share what the children have been up to. Please check our page regularly to see what our learning focus is each week so you can see the skills we are building on. We have celebrated many achievements across this half term, please take a look if you haven't already!

Uniform

Just another gentle reminder, to please label all items of clothing as they can easily get misplaced when the children are getting changed to and from PE sessions. Thank you.

Up next: Autumn 2

Next half term, the focus of our learning will be on Festivals and Celebrations. We would love it if you could tweet or bring a photo in of your child enjoying a celebration (birthday, wedding etc) to @OPAK_RVS. These will then be used throughout the topic to promote excitement and purposeful learning.

Phonics Homework

Your child will shortly receive their own individual pack of flash cards. These are to aid their fluency and understanding at home as well as in school. If a sound needs practicing in more depth this will be written in their reading record. You can also place the cards down to make CVC words (c-a-t) and ask the children to read them. We have made great progress!

Christmas performance

Yes, we will be back for another performance next half term! We are hoping to bring the festive spirit of joy and cheer once again with the power of our voices. Date to follow shortly.

Open door policy

If you have any queries or questions about your child's experience in school, please make an appointment to see us. We will always do our best to work with you, please do not hesitate to see us if you are concerned.
