

Dear Parent/Carer

### **Year 4 Science Workshop – Animal Encounter**

The children in year 4 are invited to take part in an exciting science workshop lead by Captivating Creatures on Friday 26<sup>th</sup> January 2024.

The workshop will consist of a lesson taught by Captivating Creatures, followed by a selection of animals for the children to interact with! The children will have many opportunities to ask questions and see our learning of living things brought to life.

I am really excited by this opportunity to create a hands on experience for the children, and promote excitement for our curriculum. We are asking for a voluntary contribution of £7.00 per child towards the cost of this workshop payable on ParentPay. Payments will need to be paid by Friday 12<sup>th</sup> January.

Thank you for your continued support.

Yours faithfully

Miss L. Yeomans  
Year 4 Teacher
