

Outwood Primary Academy

Hello parents and carers, this half term your child will be learning about...

Y1

The Local Area

Seasonal Changes (Autumn & ongoing)

Weather Instruments

Giuseppe Arcimboldo

Christianity

The French Language & Numbers 1-10

Friends

Respectful

Creative

Project Idea

Our Geography focus this half-term is The Local Area. We will be studying Giuseppe Arcimboldo as our art work.

You can choose what you want to do for your topic homework and how you want to present it, but here are some suggestions to get you started. Can you link your homework to another area of the curriculum?

- *Maths*- Create a pictogram of the weather in a week
- *English*- Create a poster about our local area
- *Science*- Learn an interesting fact about seasonal changes
- *Art*- Produce a piece of work in the style of Giuseppe Arcimboldo
- *DT*- Create your own weather instrument for your garden
- *Geography*- Draw a map of your route to school
- *History*- Find out a fact about the local area from before you were born
- *MFL*- Create a poster displaying the numbers from 1-10
- *Music*- Perform a song/nursery rhyme that mentions rain
- *PE*- Travel to school using 3 different forms of transport (Walking, scooter, bike, etc)

Remember, you can choose what you want to do for your project and you aren't limited to just one idea. I'm looking forward to seeing your ideas and what you come up with!

Your homework needs to be in school on **Monday 17th October.**

Follow our class page to find out about the exciting work we're doing this year @OPAK_1RH
