

Outwood Primary Academy

Hello parents and carers, this half term your child will be learning about...

Y2

Seas & Coasts

Andy Goldsworthy

Animals Including Humans

First Footsteps in a Digital World

Christianity

The French Language & Numbers 1-20

Friends

Respectful

Creative

Project Idea

Our Geography focus this half-term is Seas & Coasts. We will be studying Andy Goldsworthy as our art work.

You can choose what you want to do for your topic homework and how you want to present it, but here are some suggestions to get you started. Can you link your homework to another area of the curriculum?

- **Maths**- Find out about the oceans and order them by their size
- **English**- Create a poster about our seas
- **Science**- Make a fact file about one of the animals you have learned about
- **Art**- Produce a piece of work in the style of a Andy Goldsworthy
- **DT**- Create an animal puppet
- **Geography**- Identify the physical features of our coasts
- **History**- Present some information about the history of the oceans
- **MFL**- Find out the names of some of the coastline destinations in France
- **Music**- Write or learn a song about the oceans of the world
- **Computing**- Use your knowledge of the Digital World to research an ocean

Remember, you can choose what you want to do for your project and you aren't limited to just one idea. I'm looking forward to seeing your ideas and what you come up with!

Your homework needs to be in school on **Monday 17th October.**

Follow our class page to find out about the exciting work we're doing this year @OPAK_2MH
