

Outwood Primary Academy

Hello parents and carers, this half term your child will be learning about...

Y3

Contrasting Localities

David Hockney

Animals Including Humans

How do Computers Work?

Hinduism

The French Language & Numbers 1-40

Friends

Investigate

Cooperate

Project Idea

Our Geography focus this half-term is Contrasting Localities. We will be studying David Hockney as our art work.

You can choose what you want to do for your topic homework and how you want to present it, but here are some suggestions to get you started. Can you link your homework to another area of the curriculum?

- **Maths**- Find out how long it would take to travel between York and Rio
- **English**- Create a Travel Brochure or leaflet to persuade people to visit Yorkshire
- **Science**- Make a fact file about one of the animals you have learned about
- **Art**- Produce a piece of work in the style of David Hockney
- **DT**- Find about the foods eaten in Rio
- **Geography**- Compare some of the physical features of York and Rio
- **History**- Present some information about the History of York
- **MFL**- Find out the names of some of the places in York and Rio in French
- **Music**- Learn the national anthem from Brazil
- **PE**- Find out about a popular sport that is played in Brazil
- **Computing**- Create an iMovie/video about either York or Rio
-

Remember, you can choose what you want to do for your project and you aren't limited to just one idea. I'm looking forward to seeing your ideas and what you come up with!

Your homework needs to be in school on **Monday 17th October.**

Follow our class page to find out about the exciting work we're doing this year @OPAK_3EC
