

Outwood Primary Academy

Hello parents and carers, this half term your child will be learning about...

Y5

Animals Including Humans

Leonardo Da Vinci

How Do Computers Impact On Our Lives

Sustainable Development

Sikhism

School & Home

Motown

Applying Physical

Project Idea

On Wednesday, 25th May, we will have a homework presentation afternoon in class. Children will share their homework projects with the class, and have an opportunity to discuss what others have learnt about the topic.

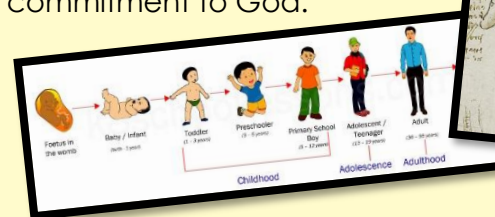

Below are a few suggestions – but please feel free to try something of your own!

- Create an anatomical sketch of the bones in a human hand.
- Create a google slides presentation on how computers impact your family life.
- Make a playlist of your favourite Motown songs.
- Recreate your favourite Leonardo Da Vinci artwork.
- Write a non-chronological report about Leonardo Da Vinci.
- Create a poster showing the different stages of growth for humans.
- Record a vlog about your thoughts on the global Sustainable Development Goals.
- Report on your findings about how Sikhs show their commitment to God.

You can submit your homework in the following ways:

- Written work (work/photos/pictures on paper)
- Tweet (via the class Twitter page @OPAK_5JS)
- Sculpture/model (or a picture of these things)
- Presentation/website (create work on your google account – log on in class to show everyone)

Follow our class page to find out about the exciting work we're doing this year @OPAK_5JS
