

# OPAK NEWSLETTER

11<sup>th</sup> December 2020

A big hello to everyone!

This newsletter aims to provide any updates, important links or information we think you may find useful at this time.

## NSPCC Net Aware

Net Aware is a wonderful resource provided by the NSPCC and O2.

The website has the latest information and advice on the social networks, apps and games your child may be using.

It also shares some excellent tips about online safety and how to have conversations with your child about this.

As children may be receiving new technology during this festive season, it is also worth reading the section on how to set up the devices safely.

You can also sign up to their newsletter which will give you the latest online safety news, tips and advice straight to your inbox.

Please visit the website below to access these amazing resources.
