Project Idea

Victorians!

This half term we will be using the theme of Victorians within our lessons. In History, we will learn about how things have changed over time and what life was like in the Victorian Era. In Art, we will be looking at the work of L.S. Lowry and exploring how to make matchstick people using different textures. In Computing, we will be creating our own dance party using an online program.

Here are some ideas for your homework project:

Create a Victorian project. You could look at something specific such as Queen Victoria, how toys have changed or rich and poor Victorian children.

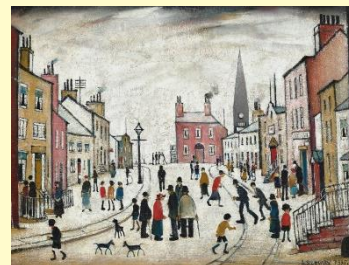

Use one of the 5 colours to create an L.S. Lowry style picture. Can you make your own matchstick men picture or a 3D style house?

Create fact file/quiz on Queen Victoria.

Write a diary entry as to what you imagine life was like as a Victorian child.

Your homework will be due on **10th July 2023**.

I can't wait to see what you come up with!

Follow our class page to find out about the exciting work we're doing this year @OPAK_1RW
