

Outwood Primary Academy

Hello parents and carers, this half term your child will be learning about...

Y1

Seas & Coasts

Animals Including Humans

Andy Goldsworthy

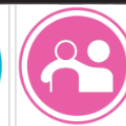

The French Language & Numbers 1-20

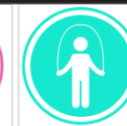

Prayer

Programming: Getting Started

Friends

Respectful 1 (ball skills)

Investigate 1 (movement, LUFC)

Diploma: International Citizen

Project Idea

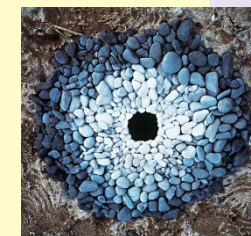

Our Geography focus this half-term is Seas and Coasts. We will be studying Andy Goldsworthy in our art work and looking at human and animal growth in Science!

You can choose what you want to do for your topic homework and how you want to present it, but here are some suggestions to get you started. Can you link your homework to another area of the curriculum?

- **Maths**- Create a graph to show the popularity of different seaside towns
- **English**- Create a leaflet about going to the seaside
- **Science**- Make a poster about the life span of different animals
- **Art**- Produce a piece of work in the style of Andy Goldsworthy with a fact
- **DT**- Create your seaside from recycled materials
- **Geography**- Draw a map of the UK and its seaside towns
- **History**- Make a poster on how the seaside used to be different in the olden
- **MFL**- Create a poster displaying the numbers from 1-20
- **Music**- Perform a song of the numbers to 20 in French
- **PE**- Create your own dance using the movements of different animals

French Numbers 1-20	
1 - Un	11 - Onze
2 - Deux	12 - Douze
3 - Trois	13 - Treize
4 - Quatre	14 - Quatorze
5 - Cinq	15 - Quinze
6 - Six	16 - Seize
7 - Sept	17 - Dix-sept
8 - Huit	18 - Dix-huit
9 - Neuf	19 - Dix-neuf
10 - Dix	20 - Vingt

Remember, you can choose what you want to do for your project and you aren't limited to just one idea. I'm looking forward to seeing your ideas and what you come up with!

Follow our class page to find out about the exciting work we're doing this year @OPAK_2RH
