

Friday 19<sup>th</sup> January 2024

Dear Parent/Carer,

We hope that this letter finds you well. As we creep towards spring and the growing season, the Gardening Club will soon be reconvening. In order to achieve some more exciting projects in the coming months, we are hoping to raise some funds to purchase some equipment to allow us to take on bigger challenges. In particular, we are hoping to be able to purchase some wheelbarrows and compost.

In order to raise funds, we are hosting a bake sale with a twist. We already know that Kirkhamgate can bake, but can you create something plant or garden themed? It could be cakes with secret vegetable ingredients like carrot or courgettes; buns with beautiful floral piped toppings or a whole succulent garden on top of a cake! Let your imaginations run wild! Take a look at the pictures below for some inspiration.

We ask that all entries are brought to school on the morning of **30<sup>th</sup> January** ready for the sale in the afternoon, which will take place in the school hall at 15:20.

Hopefully, together we will be able to raise funds to support the club as much as possible.

Kind Regards,

Miss Dalby
