

Outwood Primary Academy

Hello parents and carers, this half term your child will be learning about...

Y5

Ancient Egypt

Hieroglyphs

Forces

Christianity

Celebrations

Past

Investigate

Cooperate

Project Idea

Our main topic focus this half-term is Ancient Egypt. Through this we will also be studying Hieroglyphics as our art work.

You can choose what you want to do for your topic homework and how you want to present it, but here are some suggestions to get you started. Can you link your homework to another area of the curriculum?

- **Maths**- Research the symbols ancient Egyptians used for numbers and create a chart displaying them
- **English**- Write a story set in ancient Egypt
- **Science**- Conduct an experiment investigating different types of magnetic materials and write a report of your findings
- **Art**- Produce a piece of work using hieroglyphics
- **DT**- Create your own papyrus and draw some hieroglyphics
- **Geography**- Create a travel brochure for ancient Egypt
- **History**- Present information about ancient Egyptian Gods
- **MFL**- Rehearse a conversation in French
- **RE**- Write a comparison of the religious beliefs of Christians and Ancient Egyptians
- **Music**- Write a rap about/with your friends
- **Computing**- Create your own computer game

Remember, you can choose what you want to do for your project and you aren't limited to just one idea. I'm looking forward to seeing your ideas and what you come up with!

Your homework needs to be in school on **Monday 18th December.**
