

Outwood Primary Academy

Hello parents and carers, this half term your child will be learning about...

Y2

The Stuarts	Fire	Plants (Start)	Everyday Materials	Celebrations	Jesus	The Past	Investigate 2 (movement)	Respectful 2 (ball skills, LUFC)	Diploma: Keeping Safe

Project Idea

Our History focus this half-term is The Stuarts. We will be creating collages of The Great Fire of London in our Art work and looking at Materials in Science!

You can choose what you want to do for your topic homework and how you want to present it, but here are some suggestions to get you started. Can you link your homework to another area of the curriculum?

- **Maths**- Create a pictogram of the different Monarchs
- **English**- Write your own diary as if you were living in the Stuart period
- **Science**- Make a project showcasing the different materials and their properties
- **Art**- Produce a collage of the Great Fire of London using a silhouette
- **DT**- Create your own village during the Stuart Period or Great Fire
- **Geography**- Draw a map of London identifying key areas
- **History**- Make a fact file about the Stuart monarchs or a key historical event
- **MFL**- Create a poster of some colours and shapes in French
- **Music**- Perform a Christmas song
- **PE**- Create your own dance routine using apparatus

Remember, you can choose what you want to do for your project and you aren't limited to just one idea. I'm looking forward to seeing your ideas and what you come up with!

Your homework needs to be in school on **Monday 11th December.**

Follow our class page to find out about the exciting work we're doing this year @OPAK_2RH
