Non Uniform Day

Thank you to Academy Parliament for organising our non-uniform pyjama day – we raised £212.87 for our chosen charity: Wrenthorpe and Kirkhamgate Assist. We were very proud to receive our Community Award Certificate.

Anthology Winners

Congratulations to our poetry competition winners. Their poems have been published in an anthology alongside those written by other children across the trust. Poets of the future!

Curriculum Talent Awards

Congratulations to all our Curriculum Talent award winners and nominees. It is always such a special occasion to celebrate individual success across the wide range of subjects in our curriculum.

London Trip SP

Our Academy Parliament have had a really fantastic year and have been involved with number of exciting projects (see our Academy Academy Parliament newsletter). Our Prime Minister and Deputy Prime Minister were also lucky enough to visit London's Houses of Parliament.

Reading Ambassadors books

A huge thank you to our Reading Ambassadors for organising the sponsored read earlier in the year- we have stocked up our library with the money raised.

Congratulations to Y2 and Y6

We are so immensely proud of all our Y2 and Y6 children who approached their SATS with such a determined and resilient attitude. Every child tried their absolute best and this was reflected in their achievements.

We would like to wish Y6 good luck as they move onwards from us to their high schools; they have all been an absolute credit to the academy and know they will go on to shine in whatever they choose to do in the future. Thank you Y6 for your entertaining and memorable leaver's assembly – we will miss you all!

Diploma

Our Diploma this half term was *Leading a Healthy Lifestyle* and we all really loved taking part in Sports Day and The Daily Mile. It was lovely to have so many parents join us and support the children too.

Other Diploma activities that the children have enjoyed include growing strawberries, learning healthy habits, designing a healthy meal and investigating sleep.

Year 6 worked to complete their Sports Leader Award, learning how to lead and teach their own games and sports in groups!

A special mention to Rosie in Year 4, who entered the ISS cookery competition and was chosen to compete in the 'cook off' at Freeston against all the other. We were so immensely proud of her when she won! Rosie said afterwards 'that was such a fantastic experience'. The smile on her face really did say it all!

Celebration! At the end of our Diploma, we really celebrated in style - the children looked amazing in their caps and gowns as they graduated, receiving their end of key stage Diploma certificates.
