Plants (Summer & Ongoing)

Seasonal Changes (Summer & Ongoing)

Kandinsky

Dance Party

Schools & Homes

New Life

Happy

Creative 1 (dance, Trinity)

Respectful 5 (games)

Diploma: Community

### Project Idea

Our Science focus this half-term is Animals including Humans and we will be studying Kandinsky in our Art work as well through painting!

You can choose what you want to do for your topic homework and how you want to present it, but here are some suggestions to get you started. Can you link your homework to another area of the curriculum?

*Maths*- Draw and count concentric circles in the style of Kandinsky

*English*- Create a fact file about different animals and plants

*Science*- Make a video about a variety of animals

*Art*- Produce a piece of work in the style of Kandinsky

*DT*- Can you make a healthy dish from vegetables

*Geography*- Find out about what plants grow in different countries around the world

*History*- Create a portfolio with facts and pictures how animals have evolved over time

*MFL*- Create a poster displaying different types of animals in French

*Music*- Perform a song about an animals

*PE*- Dance like an animal!

Remember, you can choose what you want to do for your project and you aren't limited to just one idea. I'm looking forward to seeing your ideas and what you come up with!
