Y3

Light

Henri Matisse

Purses & Wallets

Schools & Homes

Religious Leaders

Happy

Investigate 3
(gymnastics, LUFC)

Organise 1
(orienteering)

Diploma:
Community

Project Idea

This half term we will be focusing on a variety of different subject areas. These include Light as our science topic, Henri Matisse in Art, Purses and Wallets in D.T and Schools and Homes in French. For this half-term's homework projects, you could complete any of the following:

Projects –

- Make a presentation about shadows.
- Create a sun safety poster.
- Draw a picture of your family and label it in French.
- Create a collage in the style of Henri Matisse.
- Design/sew a purse or wallet.
- Create a fact file on Henri Matisse.

These are just a list of suggestions. Feel free to interpret ideas in your own way. We look forward to seeing your projects. Please ensure they are in school by Monday 20th May 2024.

Mrs Foster and Ms Leonard
