

Dear Parents and Guardians,

We are writing to inform you that our Year 6 class will be taking an educational field trip to the Ghosia Masjid Institute in Wakefield on 7<sup>th</sup> July as part of our ongoing learning about different cultures and religions and commitment to British Values.

The objective of this visit is to enrich our understanding of Islam and to experience firsthand the beauty and tranquility of a mosque. This visit is in conjunction with our current curriculum unit on world religions and offers an excellent opportunity for the students to gain a deeper understanding and appreciation of cultural diversity. On the day of the visit, we will depart from school at 10:00 and anticipate our return by 12:30. Students should bring a packed lunch unless otherwise informed.

In terms of dress code, out of respect for the customs of the mosque, all students are required to dress modestly. This includes wearing long-sleeved shirts, full-length trousers or skirts, and girls may be required to cover their hair.

We appreciate your support in discussing this field trip with your child and ensuring they understand the importance of respectful behavior during our visit.

Should you have any questions or concerns, please do not hesitate to contact us. We look forward to an educational and memorable visit to the Ghosia Masjid Institute.

Kind regards,

Dan Horan  
Class teacher
