

# Outwood Primary Academy

Hello parents and carers, this half term your child will be learning about...

Y2

Mining	Henry Moore	Moving Vehicles	All About Me	Festivals	Improving My World	Investigate 3 (gymnastics, Trinity)	Respectful 3 (ball skills)	Diploma: Protect & Respect the Environment

## Project Idea

Our History focus this half-term is Mining. We will be learning how to sketch mining tools using charcoal in our Art work and making moving cars in DT. We will also be going on a school trip to the Mining Museum!

You can choose what you want to do for your topic homework and how you want to present it, but here are some suggestions to get you started. Can you link your homework to another area of the curriculum?

- **Maths**- Create a timeline with dates about mining
- **English**- Write your own diary as if you were a children working in a mine
- **Science**- Make a project about plants and everything they need to survive
- **Art**- Produce a picture of different mining tools using s using charcoal
- **DT**- Create your own moving car using a balloon
- **Geography**- Create a map of the mines in our local area
- **History**- Make a fact file about mining
- **MFL**- Create a poster about yourself in French
- **Music**- Perform a song or compose your own
- **PE**- Creature your own gymnastic routine using apparatus

Remember, you can choose what you want to do for your project and you aren't limited to just one idea. I'm looking forward to seeing your ideas and what you come up with!

Your homework needs to be in school on **Monday 5<sup>th</sup> February.**

Follow our class page to find out about the exciting work we're doing this year @OPAK\_2RH
