Dear Parent/carers,

We hope this letter finds you well. We are excited to announce an upcoming event that we would like you to participate in. As you know, our school values our Diploma program which provides the children with exciting learning opportunities each half term. This half term our Diploma is centred around 'Actively Contributing to our Local Community' and we believe that this event will be a great opportunity for you to contribute and bond with your child.

As part of our Diploma program, our Year 1 children want to 'Leave a Legacy' in the form of a whole class painting which also links very well with our current Art topic of Kandinsky. We believe that Kandinsky's use of colour and abstraction can teach children important skills such as creativity, expression, and critical thinking.

To deepen our exploration of Kandinsky's work and for our Diploma, we would like to invite you to come into school and participate in an art workshop with your child. During this workshop, you will work together to create an original piece of art inspired by Kandinsky.

Not only will this workshop be a great bonding experience for you and your child, but it will also be an opportunity for you to actively contribute to our local community and help us leave our class legacy. We believe that by working together, we can create something beautiful and meaningful that will benefit everyone.

The workshop will take place on **Thursday, 18th May at 2:00pm**. Please let me know if you are able to attend by Friday, 12th May. We look forward to seeing you and your child at this exciting event.

Thank you for your continued support of our school and its programs.

Sincerely,

Mrs Hale
