

OPAK NEWSLETTER

16th October 2020

A big hello to everyone!

This newsletter aims to provide any updates, important links or information we think you may find useful at this time.

Risk Assessment

As always, our most up-to-date risk assessment can be found on the school website. If any changes are made, this will always be updated for you to access.

You can find it using the following link:

<https://www.kirkhamgate.outwood.co.uk/riskassessment>

If you have any questions for school, you can also find details of how to contact school using the enquiries email address.

Hello Yellow

A big thank you to everyone who took part in #HelloYellow day last week and for all your donations.

A total of £112 was raised and that money will be going to the Young Minds charity to help them to continue doing the amazing work with young people to support them with their mental health.

OPA Diploma

In school, our children have been completing our Diploma challenges. There have been some great things on show. The teachers have been tweeting about them on the class twitter pages, so keep an eye out for what your children have been up to.

Our theme for this half term is 'Be a good British and international citizen'. The activities ranged from spreading kindness and the hello challenge in Key Stage One to looking at the RSPCA and hosting debates in Key Stage Two.

The Diploma work enhances the curriculum for the children and provides them with extra opportunities.

For example, all the year 6 children from across the trust have taken part in 'The Great Debate' this afternoon via a Google Meet. That's over 400 children working together.
