General

If appropriate on Monday, please can children be sent to school with sun cream on and have their sun hats with them. Please also ensure **water bottles** are sent, we are hoping for a sunny day!

There will be an iced treat for every child when their event has finished.

Please note the gates must remain locked for safeguarding reasons, if anyone is attending multiple events, the field will not be accessible to families between 10:45 and 11:00 and 12:00 and 13:00. We apologise if this causes any inconvenience but safeguarding is our priority.

Should any body arrive late or need to leave early in between the times stated for each event, entrance and exit to the field must be via the school office.

And finally, we hope you have a wonderful day watching the children enjoy their selves in what will hopefully be a fantastic day for the Academy.

It has been 4 years since our last sports day so we are very excited to be able to make use of our wonderful field space to watch the children have fun!
