

## Outwood Primary Academy

Hello parents and carers, this half term your child will be learning about...

Y5

The Tudors

Tudor Rose

Tudor Portraits

Properties and  
Changes of Materials

Sikhism

All About Me

Improving Our  
World

Confidence

Independent

### Project Idea

Our main topic focus this half-term is The Tudors. Through this we will also be studying Tudor Portraits as our art work and designing and updated Tudor Rose in Design and Technology.

You can choose what you want to do for your topic homework and how you want to present it, but here are some suggestions to get you started. Can you link your homework to another area of the curriculum?

- **Maths**- Research the money used in Tudor times and produce a poster comparing it to modern currency
- **English**- Write a letter from King Henry VIII to one of his wives
- **Science**- Conduct an experiment to find out if different materials can dissolve
- **Art**- Draw a self-portrait or portrait of a family member in the style of a Tudor portrait
- **DT**- Design and/or create your own Tudor outfit
- **Geography**- Research how England would have looked in the Tudor times and produce a report detailing the differences
- **History**- Present a report about a your favourite area of our Tudor studies
- **MFL**- Write a short letter in French about what you did over the Christmas break
- **RE**- Write a report about why Henry VIII disliked the Catholic religion
- **Music**- Research the common instruments played in Tudor times and find some examples of their music
- **Computing**- Create a website containing a blog written by a person living in the Tudor times

Remember, you can choose what you want to do for your project and you aren't limited to just one idea. I'm looking forward to seeing your ideas and what you come up with!

Your homework needs to be in school on **Monday 6<sup>th</sup> February.**

Follow our class page to find out about the exciting work we're doing this year @OPAK\_5LD
