

Our Academy Parliament

Our links to The Outwood Primary Diploma

Our work has linked closely with The Outwood Primary Diploma. In Autumn term we linked our School gate parking initiative to 'Keeping Ourselves and Others Safe'; in Spring term, our litter picking mission linked nicely to 'Protect and Respect the Environment' and in the Summer term, our Coronation community coffee morning and involvement in the Climate Change Relay were huge successes.

Next Year...

We are looking forward to our next Academy Parliament elections and to hearing the manifestos from those children wishing to be elected. We can't wait to be involved with more exciting projects and creating more links with our community.

What we have been up to....

This year, Academy Parliament have been extremely busy and feel very proud of our achievements. We have enjoyed working together and acting as the 'voice' for all the children across the academy. We have thrown ourselves into community engagement, receiving lovely feedback from a number of different people and it is lovely to have our hard work and dedication recognised. We have worked hard on promoting sustainability projects including saving paper and we have raised awareness of the importance of not wasting food, by organising the 'Eat them to defeat them mission'. We have also raised £247 for The Dogs Trust. by organising a very successful cake sale ; we enjoyed asking each class to vote for which charity to choose and helping to price up the cakes. We also strongly believe in our British Values and have promoted these through our projects this year, We felt so immensely proud sharing all of our achievements with our Academy Council and we really have loved every minute of being members of Academy Parliament - our involvement has helped us develop lots of new life skills for our future.

Community Engagement...

- ◆ Harvest donations to CAP Care
- ◆ Over 65s Christmas Party at the village hall
- ◆ The Mayors Visit
- ◆ School gate parking initiative
- ◆ Fairtrade presentation to parents
- ◆ Lofthouse colliery disaster memorial walk
- ◆ Coronation Community Coffee Morning
- ◆ £r247 raised for The Dogs Trust
- ◆ Climate Change Relay

A final word from our Prime Minister and Deputy Prime Minister

"I was so proud to be elected as Prime Minister and have had many great opportunities to be involved with our local community"

Niamh, Prime Minister, Year 6

"I have found it an honour to be Deputy Prime Minister and to be the best I can be to support the school"

Gene, Deputy Prime Minister, Year 5
