

OPAK NEWSLETTER

9th November 2020

A big hello to everyone!

This newsletter aims to provide any updates, important links or information we think you may find useful at this time.

Welcome back!

We wish you all a warm welcome back to school and hope you had a restful and enjoyable half term break.

Home Learning

A reminder that if your child is accessing home learning through the Google Classroom, a useful guide can be found on the school website.

It is called 'Guidelines for Accessing Google Classroom' in the Home Learning section. You can use the link below to find it.

<https://www.kirkhamgate.outwood.com/homelearning>

Risk Assessment

As always, it can be found on the school website using the following link:

<https://www.kirkhamgate.outwood.com/riskassessment>

If you have any questions for school, you can also find details of how to contact school using the enquiries email address.

Safety

As we are entering another lockdown period, please rest assured that we are continuing to follow all health and safety guidelines in school.

You can help support these measures by continuing to maintain a safe distance of 2m from other people during drop off and pick up times as well as wearing a mask if you feel it is appropriate.

Praising Stars

Children in years 1-6 will bring home with them their Praising Stars report for last half term.

Children's Report

During this half term, we would normally invite you to a parent's evening to discuss how your child has settled into the new academic year.

Due to current restrictions, we are unable to hold these meetings and therefore your child's teacher has provided an extra report about how they have settled into class.
